Whale Point Sauvignon Blanc 2025

Region

The Western Cape is roughly the size of Greece and is the fourth largest province in South Africa. A temperate southern coastline is fringed by mountains whilst the north meets up with the Karoo plateau. The west coast of the province is extremely dry and windy. Two oceans meet on its coast; the cool Atlantic on the west and the warm Indian Ocean on the south coast. The weather is perfect for growing grapes - rainfall measures up to 40 inches a year, the mild Mediterranean weather provides the perfect climate and the ground is mainly sandy and rough.

Producer

These wines have been specifically chosen for Ellis by our team of buyers. The focus of this range is to create high quality wines which capture the quintessential characteristics of varietals from around the winemaking world. As sustainability is something very close to our hearts here at Ellis, these wines have been shipped in the most environmentally friendly way and bottled at a carbon minus bottling facility.

Tasting Notes

This Sauvignon Blanc from the Western Cape is pale lemon in colour with a very fresh nose of gooseberry, cut grass and lemon. The palate has vibrant aromatics of zesty lemon, white flowers and nettle. The lively acidity gives this wine a very crisp and fresh feel and combines with the fruity, citrussy flavours to provide a long and clean finish.

Food

Serve with oysters with lemon and chilli, crab or smoked salmon.

Technical Information

Country	South Africa
Region	Western Cape
Grape(s)	Sauvignon Blanc (100%)
Type	White
Style	Crisp
Oaked Style	Unoaked
Body Style	Medium bodied
Sustainable	No
