# Bardolino Rosso Gorgo Organic 2025

## Region

A wide and temperate agricultural region stretching from Venice to Verona and north to the Alpine foothills. In the west around Lake Garda, are the important generic wines - Valpolicella, Soave and Bardolino. Much of Italy`s commercial Pinot Grigio and Merlot is grown further east, but the Glera grape makes the region`s distinctly fashionable sparkling wine, Prosecco. However the recent popularity of Amarone and Ripasso has really re-established this region as one of Italy best wine growing areas and quality is out of all recognition from the light carafe wines of the early 80`s.

## Producer

Gorgo was established in 1973 in the village of Custoza. Originally only 22 hectares, the estate now stretches over 60 hectares in the ‘Bianco di Custoza’ and ‘Bardolino’ production areas. The estate is owned and managed by Roberta Bricolo with a skilled viticultural team who have been in place for nearly 30 years. All the wines are hand crafted and of very high quality. The light, white soils of the region are full of pebbles and silt rich in calcium which gives the wines a distinctive mineral character.

## Tasting Notes

A fresh and fruity Bardolino made from Corvina, Rondinella and Molinara. The wine is medium bodied with notes of sour cherries, blackcurrants and a hint of spices and black pepper. Full bodies with a soft and supple tannic structure and balanced acidity capable of further ageing. This wine has long and fruity finish. A carefree, lively wine that is fruity when young but acquires complexity over the years, producing spicy tones.

## Food

Serve with soups, pasta with meat or amatriciana sauces, risottos, grilled meats and young cheeses.
