

Camel Valley Bacchus Dry White 2022

Region

If you have never tried an English wine before – well now is your opportunity. The vineyards of England are generally located in the warmer southern counties where the milder influences of the gulf stream have an important effect, as our northern hemisphere vineyards need a longer cooler growing season than in Europe to produce top quality grapes. More than 500 vineyards are in production across the UK and bottled annual sales has reached 3 million bottles, with Chardonnay, Pinot Noir and Bacchus the most planted varieties.

Producer

Established in 1989 in the heart of the Cornish countryside by ex-RAF pilot Bob Lindo and his wife Annie. Bob embarked as winemaker at Camel Valley and in 2005 won the International Wine Challenge Gold Medal for their Sparkling wine. Their son Sam then took over as winemaker (with a little help from Dad now and again) and in 2007 won UK Winemaker of the Year.

Tasting Notes

A lovely English dry white wine made from the Bacchus grape variety. The nose has fresh aromas of hedgerows, green apples and citrus fruits. The palate is crisp with a subtle floral character and a crisp, slightly smokey mineral note. Very clean on the finish with a grapefruit acidity.

Food

A great aperitif or pair with shellfish and summer salads.
