

Azal Vinho Verde AB Valley Wines 2023

Region

Portugal's northern Atlantic coastal region of Minho shares much in common with its northern Spanish neighbour, Galicia. The Minho is a verdant green coastal region, often shrouded in mist, where the grey granite soils support a wide variety of fruits and vegetables and various localised grape varieties. There are around 60,000 hectares of vines planted in Minho. Many of these are dedicated to Vinho Verde, the country's largest DOC.

Producer

AB Valley Wines was formed in 2016 by renowned winemaker Antonio Sousa and Bernardo Lencastre. Their idea was to make wines which showcase the indigenous grape varieties of the region with the terroir of Vinhos Verde's sub region of Amarante. The terroir is ideal for grape growing; Amarante is protected from the influence of the Atlantic and has a high average altitude, higher temperatures than the regional average and the hottest summers overall. These conditions favour the development of late-maturing varieties such as Azal and Avesso.

Tasting Notes

A light and zesty white from northwest Portugal. This Azal has delicate floral and citrus notes on the nose. The palate is very fresh with a zingy acidity and notes of green apple, white peach, grapefruit and a hint of elderflower.

Food

Serve chilled with prawn cocktail, oysters or a fresh summer salad.
