Ch. Peybonhomme `Le Blanc Bonhomme` Biodynamic 2024

Region

One of the five subregions constituating the old "premiers Cotes de Bordeaux" Blaye aswell as the Cotes de Bourg, both sit on the opposite bank of Medoc forming the eastern bank of the Gironde as it flows north of Libourne. The red wines here are gutsy, with ample fruit and a distinct earthy terroir and the whites are classic with traditional Bordelais blends consisting of Sauvignon Blanc, Semillon and Muscadell and international varieties like Colombard. Soil types consist of the typical well draining Gravelly soils along the riverbank but also of rich clays.

Producer

This is 148 acre property is Bordeaux`s most extensive organic vineyard, situated on the right bank of the Gironde on the best limestone and clay soils of Cars, a small commune near Blaye. The 19th century Chateaux is dominated by a magnificent crenellated tower, offering magnificent views over this ancient estate.

Tasting Notes

The 3 hectare estate which produces this wine is located in Cars, close to Blaye and the bank of the Gironde River. Certified Demeter Biodynamic, great effort is put into producing this wine in as natural a way as possible, the result is low sulphites and a vegan friendly wine with lots of character. A blend of Semillon, Sauvignon Blanc and Colombard, the wine has a fresh, citrus acidity which balances perfectly the tropical fruits and subtle creamy notes from one third of the wine being aged in French oak barrels.

Food

Serve with white fish or chicken dishes.
