Ca Nova Corvina Veronese Gorgo Organic 2024

Region

A wide and temperate agricultural region stretching from Venice to Verona and north to the Alpine foothills. In the west around Lake Garda, are the important generic wines - Valpolicella, Soave and Bardolino. Much of Italy`s commercial Pinot Grigio and Merlot is grown further east, but the Glera grape makes the region`s distinctly fashionable sparkling wine, Prosecco. However the recent popularity of Amarone and Ripasso has really re-established this region as one of Italy best wine growing areas and quality is out of all recognition from the light carafe wines of the early 80`s.

Producer

Gorgo was established in 1973 in the village of Custoza. Originally only 22 hectares, the estate now stretches over 60 hectares in the ‘Bianco di Custoza’ and ‘Bardolino’ production areas. The estate is owned and managed by Roberta Bricolo with a skilled viticultural team who have been in place for nearly 30 years. All the wines are hand crafted and of very high quality. The light, white soils of the region are full of pebbles and silt rich in calcium which gives the wines a distinctive mineral character.

Tasting Notes

Made from one of the grape varieties responsible for making the world famous Amarone wines of northern Italy; Corvina. Bursting full of notes of red fruit, in particular cherries and plums, and the aroma of spices and herbs. The result is a rich wine, with a fresh and fruity nose. The palate is soft and rounded with a powerful and savoury character from notes of cinnamon and pepper balanced by a fine acidity a hallmark of the morainic soil.

Food

Red meats, roasted or as beef tartare, mature cheeses.
