

Pisano Pajaros Pintados Torrontes 2020

Region

At 34 degrees of southern latitude, the region of Progreso is adjacent to the Atlantic Ocean and its maritime influences. Here the vines grow on clay, ash and calcareous soils, north of the capital Montevideo and close to the Rio de la Plata (River Plate). The region benefits from a sunny and cool climate, the vines enjoy cooling winds to produce low yields of top quality grapes.

Producer

The Pisano vineyards belong to a group of small family vigneron with an artisan tradition of making wines that reflect the character of the land and the people. Francesco Pisano arrived in Uruguay in 1870 from Italy (the great grandfather of the current owners). The original vineyards were planted in 1914 by his son Cesare. Today, this winemaking tradition continues and they produce some of the country's most prestigious and best wines with distinctive character oriented to the high quality, niche market. These hand crafted wines are produced in limited quantities and total production at the Pisano family cellars is only 30,000 cases per year across the range of these award winning varieties.

Tasting Notes

A fresh and lively Uruguayan torrontes with a pronounced bouquet of flowers and citrus. Grown on calcareous clay soils which gives the wine an elegant character. The palate is crisp and dry with notes of grapefruit, passionfruit, blossom and lemon zest. Well balanced and easy drinking with a fresh, fruity finish.

Food

Serve chilled with fish dishes such as ceviche, gravadlax or tartare.
