

# Le Pionnier Rouge - Vin de France 2022

## Region

The Languedoc is a vast region stretching across much of the south and Mediterranean with large volume of IGP wine within the distinct areas of l'Aude, Gard and Hérault and also well known appellations such as Minervois, Corbières, Pic Saint Loup and Fitou. It's history dates back to the Greeks and Romans as well as monasteries in the Middle Ages. The Languedoc experiences Mediterranean climate with high levels of sunshine and warmth with low rainfall which are all favourable for grape growing. A wide range of grape varieties are grown including Syrah, Grenache and Carignan and the local variety piquepoul making a range of styles of red, white and rosé wines.

## Producer

LGI were created in 1999 by forward thinking partners aware of the challenge and opportunity that lay ahead for regional French wines in the competitive international market. Wines are made and blended from three main sources. Saint Chinian in the Herault, Jean d'Alibert in Minervois and from Gascogne. In the heart of the Languedoc, one of the world's largest wine regions with an array of diverse climates and terroirs allowing a range of local and international varieties to be grown.

## Tasting Notes

La Pionnier is produced in the Languedoc region between Narbonne and Béziers. This soft and fruity wine is a traditional Languedoc blend of Grenache and Carignan. It is generous and supple on the palate with an intricate structure. Layers of soft summer fruits and rich berry flavours reflect the warmth of the Mediterranean, with a subtle spicy finish.

## Food

This soft and versatile red can be enjoyed unaccompanied or with light meats, pates, pasta and grilled vegetables.
