Château Fabre Jumelles Rouge Organic 2024

Region

The Languedoc is a vast region stretching across much of the south and Mediterranean with large volume of IGP wine within the distinct areas of l`Aude, Gard and Hérault and also well known appellations such as Minervois, Corbières, Pic Saint Loup and Fitou. It's history dates back to the Greeks and Romans as well as monastaries in the Middle Ages. The Languedoc experiences Mediterranean climate with high levels of sunshine and warmth with low rainfall which are all favourable for grape growing. A wide range of grape varieties are grown including Syrah, Grenache and Carignan and the local variety piquepoul making a range of styles of red, white and rosé wines.

Producer

Since 1771 the Fabre family have been owners of Chateau Fabre in the village of Gasparet at the heart of the Corbieres region of the Languedoc. The vineyards occupy a succession of little hills with poor, stony soil, ideal for the regions important varietals of Carignan and Grenache.

Tasting Notes

Since 1771 the Fabre family have been owners of Château Fabre in the heart of the Corbières region of the Languedoc. The present owner, Louis Fabre, continues the ancient tradition and brings his own talents to the estate blend of classic varieties of Carignon, Syrah, Grenache and Mourvedre. The wine is concentrated with the fragrance of wild herbs and red fruits on the nose, lots of dark berry fruits and woodland hints on the palate, backed by subtle oaky spice and soft ripe tannins.

Food

A classic combination with cassoulet, sausages, rabbit and lamb.
