The Impressionist Renosterbos Sauvignon Blanc 2024

Region

This famous region is 30 miles north east of Cape Town yet still close enough to the ocean to benefit from cool maritime conditions. These beautiful vineyards are dominated by scenic mountains and the region is home to some of the Cape`s most famous and influential wine estates. The most noted and important vineyards are located on the prized slopes of the Simonsberg Mountain. This small and highly rated sub-zone has fantastic terroir and is where many of South Africa`s top red cuvees are produced.

Producer

These wines have been specifically chosen for Ellis by our team of buyers. The focus of this range is to create high quality wines which capture the quintessential characteristics of varietals from around the winemaking world. As sustainability is something very close to our hearts here at Ellis, these wines have been shipped in the most environmentally friendly way and bottled at a carbon minus bottling facility.

Tasting Notes

Renosterbos takes its name from the Rhinoceros bush that grows wildly in parts of South Africa. This sauvignon blanc from South Africa’s premier wine region is highly concentrated and aromatic. Tropical & citrus fruit jump out of the glass as the dominant aromas, with layers of herbaceous, grassy notes too. The palate delivers a hugely refreshing mouthfeel, again with tropical fruit as the primary flavour. Zesty acidity with a long, fruity finish.

Food

Pairs perfectly with spring asparagus, summer salads & goat’s cheese
