Crazy Tropez Rosé N.V.

Region

Méditérranée is an IGP title covering wines that are produced in a large area on the southeast coast of France, roughly corresponding to the Provence wine region but also includes a part of the Rhône Valley. The IGP shares its land with multiple AOC appellations as varied as Châteauneuf-du-Pape, Bandol and Côtes de Provence. It can broadly be described as having a warm Mediterranean climate, ideal for growing healthy ripe grapes.

Producer

Domaine Tropez was born in 1996 and since then it has assembled a number of AOC Cotes de Provence vines, covering over 40 hectares. Domaine Tropez wines are bright and lively as a result of the strong influence of the clay and limestone soils along with the Mediterranean climate. The vineyard has undergone major reconstruction calling for a large investment to build a state-of-the-art wine cellar. In 2020, they were officially certified sustainable, and they continue to work with organic practices.

Tasting Notes

This lovely French Rosé is made from a blend of Grenache and Cinsault made in stainless steel to protect the fresh fruit character and zesty acidity . Pale pink colour with salmon highlights. The nose is fresh and aromatic, with notes of citrus and tropical fruit. Delicious and indulgently fruity on the palate with suggestions of spice and minerality. Zesty citrus notes and juicy acidity converge on a smooth finish.

Food

Delightful as an aperitif or would pair well with seafood, salad dishes, cured meat and tapas.

Technical Information

Country	France
Region	IGP Mediterranee
