Domaine de l`Armet Chardonnay IGP Organic 2020

Producer

Also called `Clos l`Armet`, this domaine is situated next to Montpellier and has been family run by the Biscaye family for five generations. Emmanuel Biscaye has been in charge since the death of his grandfather over 15 years ago. He was still a student when he inherited the domaine and has worked to update the vineyard and vinification techniques to create wines which are modern and dynamic, but still in keeping with the family traditions.

Tasting Notes

A beautiful organic Chardonnay from the Languedoc region in the south of France. A lovely pale golden colour full of vibrant stone fruits on the nose. On the palate enticing lemon, nectarine and ripe peach characters with a hint of toast. Fresh acidity balances the richness of the wine and gives a long, lasting finish.

Food

Serve chilled as an accompaniment to foie gras, chicken dishes or salmon in a creamy sauce.
