Muscat de Beaumes de Venise Half Dom Beaumalric 2025

Region

The Southern Rhone is home to many famous appellations with a great variety of soils and microclimates, though in general sees ideal growing conditions that are warm and dry, with the Mistral wind proving a defining feature. Grenache forms the backbone of southern Rhône blends, including Châteauneuf du Pape, Gigondas and Vacqueyras. With a range of varieties grown, the region sees a range of styles produced from quality red and white wines to the aromatic dessert wine Muscat de Beaumes de Venise.

Producer

Two miles east of the town of Gigondas, across the Montmirail Mountains, begins the small appellation of Beaumes-de-Venise. The family of Daniel Begouassel began here nearly three generations ago as growers and vine plant experts. The winemaking style of Daniel Begouassel is modern and forward-thinking. His Muscat Beaumes-de-Venise always exhibits more freshness and elegance than others made in the region. From the 2004 vintage red Beaumes de Venise has become the latest `Côtes du Rhône Villages` to be awarded its own appellation.

Tasting Notes

Made entirely from Muscat Blanc a Petit Grains from the Village of Beaumes-de-Venise in the rhone valley, this is a style of sweet wine that dates back to the 14th century. Full of apricot, peach, orange peel and coconut aromas followed by unctuous, opulent layers of exotic fruit flavours on the palate and supported by high acidity which gives balance to the intense fruit.

Food

Served traditionally with Caramel Buche de Noel (French Christmas cake) but will also go perfectly with appetisers like Foie gras and selections of cheeses particularly blues like Rochebaron.
