Ojo Rojo Sauvignon Blanc 2024

Region

The Central Valley runs south of Santiago, protected by the Andes to the east and Central Mountain range to the west. High levels of sunlight, even temperatures and limited rainfall together with a virtually pest and disease-free environment contribute to make a fantastic climate for excellent grape growing. This is a reliable source of Chile`s workhorse varieties.

Producer

These wines have been specifically chosen for Ellis by our team of buyers. The focus of this range is to create high quality wines which capture the quintessential characteristics of varietals from around the winemaking world. As sustainability is something very close to our hearts here at Ellis, these wines have been shipped in the most environmentally friendly way and bottled at a carbon minus bottling facility.

Tasting Notes

Clean and brilliant Chilean white wine with pale lemon colour and soft green edges. This fresh and juicy Sauvignon Blanc has soft aromas of light citrus fruit and a palate with vibrant notes lemon and lime with hints of tomato leaf. An easy pleaser with a fruity character yet fresh acidity. Made protectively to preserve the fresh fruit aromas and flavours, fermenting at cool temperatures in stainless steel. Delightfully refreshing.

Food

Pairs well with soft cheese and fresh salads.
