

Barbera d`Alba DOC `La Gemella`, Viberti Giovanni, 2019

Region

In the northwest of Italy lies the unique low alpine region of Piedmont (or Piemonte), which means `at the foot of the mountains`. Weather influences come from the Apennine Mountains and the Alps. The region includes the small and prestigious hillside wine towns of Barolo, Barbaresco, Asti and Gavi, where a diverse variety of well-known wine styles originate. Some of Italy`s most revered and expensive red wines come from the Nebbiolo grape, grown alongside Barbera, Dolcetto and for white wines Moscato and Cortese.

Tasting Notes

A classic Barbera d`Alba, made from grapes grown on clay and limestone soils which give the wine a distinguished mineral character. After fermentation, the wines spend 9 months in large oak barrels, the result is an elegant wine with a long finish; full of red cherries, balsamic notes and a fresh acidity.

Food

Partner with venison or osso bucco.
