Malabrigo Cepa 21 Ribera del Duero 2022

Region

The Denominacion de Origen of Ribera del Duero was founded in July 1982 by an organisation of wine producers and growers who were determined to promote the quality of their wines and enforce regulatory standards. Located in the country`s elevated northern plateau, it is an autonomous community within Castilla y Leon. As the name suggests, the region follows the course of the Duero river and includes the areas of Burgos, Valladolid and parts of Segovia. Like Rioja, the region produces wines selected for long ageing and uses the same age categorisation for its products.

Producer

Bodegas Cepa 21 is a boutique winery in Castrillo de Duero, a village in Valladolid in the area known as the Golden Mile. They combine tradition and modernity with a true commitment to enhancing the best characters of their terroir through the Tempranillo variety. Winemaker Jose Moro's disruptive spirit is a result of his ancestor's legacy, which motivates the quality styles he creates today. With 50 hectares of their own vineyards on silty sand, clay and limestone at 750-900m above sea level, facing north helping to ensure the fresh complex wines.

Tasting Notes

The Malabrigo is the pièce de resistance in our Cepa 21 range, reflecting the best Ribera del Duero has to offer. With an enticing red colour with hints of garnet and a vibrant nose with classic varietal character such as ripe black fruit with complexity coming from fresh herbs, liquorice and sweet spice from time in French oak. The palate has a medium body with fresh high acidity and well-structured tannin for a powerful wine with a long and elegant finish.

Food

Red meat, heavy dishes or strong cheese (roquefort, blue, brie…)
