Casadei Sogno Mediterraneo Toscana Organic 2022

Region

In the heart of central Italy, Tuscany is one of the most prestigious and celebrated wine growing regions in the world. These gentle rolling hills are not only home to Italy`s culture and language, but also to the grand wine estates of Chianti to the north and the more modest yet superb estates of Montalcino and Montepulciano in the south. Sangiovese is the red grape variety that unites Tuscany`s wine producing districts in its various distinct clones. However, planting of international grape varieties, such as Merlot and Cabernet Sauvignon, have given rise to the world renowned `Super Tuscan` wines.

Producer

Tenuta Casadei is located in Alta Maremma, near Suvereto which is 13km from the coast. The estate and winery were established in 2000 by Stefano Casadei. His goal was to grow vines with respect for the environment and create unique, authentic wines. Stefano met Fred Cline who shared his values of environmental care and who drove the `bio integrale` idea for the estate developing sustainable agriculture and biodynamic techniques. Stefano`s daughter Elena Casadei is now involved with the winemaking and started integrating amphorae into production, with the aim of keeping these ancient winemaking tools in the modern era.

Tasting Notes

Made from selected Syrah, Grenache and Mourvedre grapes, this eclectic tuscan wine is fermented using native yeasts and is split between both concrete tanks and terracotta amphorae. After this, the wine spends 14months in barrel, 20% of which is new French oak. Powerful on the nose, with intense blackberry, dark chocolate and tobacco notes. Silky on the palate, with an elegant finish of berries and spice.

Food

Exellent with flavourful roasted meats like lamb and game, also with stews and aged cheeses and hearty pasta dishes.

Technical Information

Country	Italy
Region	Tuscany
Grape(s)	Syrah (60%) Grenache (20%) Mourvèdre (20%)
Type	Red
Style	Rich
Oaked Style	Oaked
Body Style	Medium bodied
Sustainable	Yes-certified sustainable
