Godello Bodegas Godelia 2023

Region

Bierzo is a wine region in the northwest of Castilla y Leon, Spain, close to the region`s borders with Galicia to the west and Asturias to the north. The Bierzo viticultural area consists of two parts. Bierzo Alto (high Bierzo), a mineral-rich and mountainous terrain where terraced vineyards are sewn into the slopes, and Bierzo Bajo (low Bierzo), a wide and verdant plain. Bierzo`s proximity to the Atlantic Ocean has a profound effect on its overall climate, and the soil types are very different to the rest of Castilla y Leon, with a predominance of slate and granite which favours Mencia Vines. The wines tend to be lighter and more refreshing.

Producer

Godelia was born at the end of 2009 as the dream of García Rodríguez family to develop the viticulture in El Bierzo and create value and a future for the region. Located in the Northwest of Spain, in the town of Pieros (Cacabelos,León), Godelia take on a commitment with the region recovering and taking care of the old Mencía, Godello and Doña Blanca vines to produce our wines. Responsible viticulture is key for the winery's philosophy, working with vegetation covers in the soils, producing an active soil with microbial life. Godelia almost owns 50 hectares of vineyards with the age of the vines ranging between 25 to 100 years old and they settled down on slate, pebbles, quartzes and clays soils.

Tasting Notes

This is a unique blend of Godello and Dona Blanca selected from 80 year old vines. The wine is aged in steel on the fine lees for 5 months with regular battonage for texture. This wine has great personality with intense fruit and complexity. Notes of ripe fleshy stone fruits and white flowers are prominent. There is a creamy and fruity palate, with elegant mineral and saline notes. The acidity leaves a fresh and persistent finish.

Food

Best served with white fish or seafood like octopus.
