# Ultimate Provence Rose 2025

## Region

The appellation of Côtes de Provence covers a wide swathe of land from Aix east to Cannes. Although much of the production is of dry rosé wine made from Cinsault, Carignan, Syrah and Cabernet Sauvignon, it does also cover red and white wines. Provence has a warm Mediterranean climate with adequate rainfall and the cold Mistral wind provides cooling influence but the best sites are usually sheltered.

## Tasting Notes

This Ultimate Provence has a pale colour with sometimes coppery reflections with a beautiful bouquet of light fresh red fruits. This blend of Cinsault, Grenache, Syrah, Rolle exalts the combination of fruitiness, floral and spicy notes. The wine is made protectively for a fresh bright Provence Rose bursting with fresh red fruits and a crisp acidity and touch of spice on the finish.

## Food

Pairs well with grilled poultry, cheeses, charcuterie and seafood.

## Technical Information
