Wildwood Zinfandel Blush Rose Quarter 2025

Region

The state of California is by far the most important producer of wine in the USA. Its grape growers succeed in many differing environments up and down the state from the fog influenced coastal valleys of Sonoma, Napa and Carneros, to the hot irrigated Central Valley and Monterey, Santa Barbera and Edna Valley on the Pacific coast and to Themecula on the Mexican boarder. California produces a range of varieties such as Cabernet Sauvignon, Chardonnay, Pinot Noir, Zinfandel, Merlot, Syrah.

Tasting Notes

A deep pink rose that offers an attractive bouquet redolent of summer fruits including strawberry and watermelon. The palate is medium bodied with a hint of sweetness and flavours of ripe cherries, raspberries, strawberries and hint of candy and cream. The confected fruit flavours are balanced by a refreshing acidity and linger on a crisp finish. A well-balanced easy drinking Rose.

Food

Best served lightly-chilled as an aperitif, or perfect with Indian, Thai and other Asian cuisines.
