

Fitzrovia Classic Cuvee Rose Ridgeview Estate Winery N.V.

Region

If you have never tried an English wine before – well now is your opportunity. The vineyards of England are generally located in the warmer southern counties where the milder influences of the gulf stream have an important effect, as our northern hemisphere vineyards need a longer cooler growing season than in Europe to produce top quality grapes. More than 500 vineyards are in production across the UK and bottled annual sales has reached 3 million bottles, with Chardonnay, Pinot Noir and Bacchus the most planted varieties.

Producer

Founded in 1995, they are now led by the second generation of the Roberts Family producing globally acclaimed, award-winning range of delicately crafted English Sparkling Wines. Based within the South Downs National Park in Ditchling, Sussex, Ridgeview sources fruit from original estate vines, and quality partner vineyards across Southern England; typically varied soils such as chalk, clay, gravel and sandstone soils. They were the first business in the UK to hold B Corp for traditional method English Sparkling Wine. Being a certified B Corporation means they are meeting the highest standards of social and environmental performance, committed to making business a force for good.

Tasting Notes

A delicate cherry blossom hue with incredible fruit-driven purity and an abundance of fine bubbles. The nose evokes wild raspberry and honeyed redcurrant, while the spring-fresh palate brims with sherbet, balanced by a creamy, long finish. This sparkling is made with a selection of white base wines blended with a fraction of red wine made from ripest Pinot Noir grapes; the ‘assemblage’ method giving Ridgeview Fitzrovia its delicate rose glow.

Food

A refreshing aperitif and versatile food wine, the summer fruit aromas and creamy texture enliven everything from English summer berries and a Sussex cheeseboard to the freshest seafood. Seared Tuna with Ginger - Lobster salad - Eton Mess.
