

Meursault Les Grands Charrons Domaine Philippe Bouzereau Organic 2022

Region

One of Burgundy’s most famous communes, Meursault’s reputation comes from the broad swathe of fine Premier Cru and village level wines produced from the 395 hectares of vineyards within its appellation boundary. Located near the middle of the Cote de Beaune, just north of Puligny-Montrachet, the best vineyards in Meursault are at an elevation of about 260 metres with exceptional free-draining clay-limestone soils. Chardonnay is the predominant grape in Meursault and wines are typically full, opulent and powerful. Flavours of toasty hazelnuts, almonds, butter, honey and citrus fruits and floral notes are also common. The soils and individual climats can have a great impact on the wines with leaner, flintier, wines coming from plots higher up the hillside, or with a greater ratio of limestone in the soils. Meursault wines are known to benefit from time ageing in bottle, developing finesse and structure.

Producer

Located in a former Cistercian vineyard in the heart of Meursault, the Philippe Bouzereau estate has been cultivating vines for several generations. The family have long-standing expertise, and now embrace responsible viticulture, mindful of its impact on the environment and are organic certified. The two brothers, Charles and Philippe both farm the estates 20ha, and are committed to cultivating vines and expressing the unique terroirs of Burgundy’s appellations. Their winemaking processes are also evolving to allow each terroir to express the unique character of its vintage. An immersion in tasting the greatest Burgundy terroirs, from Chassagne-Montrachet to Corton

Tasting Notes

A wonderful expression of a very fine Meursault, generous and concentrated with a nutty richness and delicate floral notes, underpinned by complex nuances of spice and a touch of vanilla. Smooth and creamy with beautiful balance and an impressively long, elegant finish.

Food

Perfect with cold and simply grilled seafood or creamy pasta dishes.
