Roi des Vignes Blanc - Vin de France 2025

Region

The terroir across the Côtes de Gascogne area is transitional, with the maritime effect of the Atlantic ocean giving way to a more continental climate in the east of Gers. In the east, summers are warmer and drier, and the clay limestone soils retain water more effectively. Nearer the coast, loose, sandy soils with good drainage and high rainfall characterize the vineyards. The wines of Gascogny provide reliable, fresh whites from a combination of Ugni Blanc, Colombard, Sauvignon Blanc and Chardonnay, and assertive, mineral rich reds from a base of Tannat.

Producer

LGI were created in 1999 by forward thinking partners aware of the challenge and opportunity that lay ahead for regional French wines in the competitive international market. Wines are made and blended from three main sources. Saint Chinian in the Herault, Jean d`Alibert in Minervois and from Gascogny. In the heart of the Languedoc, one of the world's largest wine regions with an array of diverse climates and terroirs allowing a range of local and international varieties to be grown. LGI have been focussed on improving their environmental impact and as of 2024 have become HVE 3 certified.

Tasting Notes

Roi des Vignes Blanc comes from IGP Comte Tolosan in Gascogny. A crisp floral white wine from the south west of France has an aroma of citrus fruits, particularly grapefruit, with hints of ripe pear and tomato leaf. These flavours linger on the palate with hints of exotic fruits, a fresh lime acidity and vivacious finish.

Food

This is an excellent wine to enjoy as an aperitif or with seafood, mushroom risotto and white meat dishes.
