

Della Vite Zero Sparkling Rose NV

Region

The Languedoc is a vast region stretching across much of the south and Mediterranean with large volume of IGP wine within the distinct areas of l'Aude, Gard and Hérault and also well known appellations such as Minervois, Corbières, Pic Saint Loup and Fitou. It's history dates back to the Greeks and Romans as well as monasteries in the Middle Ages. The Languedoc experiences Mediterranean climate with high levels of sunshine and warmth with low rainfall which are all favourable for grape growing. A wide range of grape varieties are grown including Syrah, Grenache and Carignan and the local variety piquepoul making a range of styles of red, white and rosé wines.

Producer

Della Vite (which means 'from the vine') was created by the Delavigne sisters; Chloe, Poppy and Cara. Their wine is certified vegan and is based on the concept of clean production. They use solar energy in the winery, a heat exchange system to heat the water, nitrogen for wine storage is extracted from the air (rather than using chemicals) and the prosecco is filtered through a ceramic system. They make their wine with grapes from the hills of Valdobbiadene, an area known for its quality to produce these elegant Proseccos.
