

Pomerol By Clinet 2020

Producer

Clinet is very much a part of the heritage of Pomerol, thanks to its uniquely positioned terroir and the work of extraordinary people who have built the worldwide reputation of its wine throughout the centuries. Château Clinet is a small Pomerol property that has leapt to prominence in the last 15 years and now produces one of the most sought-after wines in the region. The 9-hectare vineyard is on top of one of the finest plateaux in Pomerol and is planted with Merlot (80%), Cabernet Sauvignon (10%) and Cabernet Franc (10%). 1999 marked the purchase of the estate by the Laborde family, but it was also the start of substantial restructuring and replanting in the vineyard, which today is nearing full production capacity.

Tasting Notes

By Clinet Pomerol was created to artfully blend the three different types of terroir that characterize Pomerol. Clinet works with a selection of wine-growers to compose this original wine, including Château Clinet. The vinification and ageing are carried out by the same team and with as much attention as for the Grand Vin. Made from Merlot with 5% Cabernet Franc and aged for 12 months in second use barrels. A deep garnet in colour, with notes of prune, damson and truffle on the palate with a subtle, yet powerful, smokiness on the finish.

Food

Pair with venison, wild boar or roast pheasant.
