

Château Beaumont Magnum 2020

Region

Haut-Medoc is the large southern section of the greater Medoc district of Bordeaux in south-western France and also the name of the appellation that covers the vineyards here. It accounts for two-thirds of the Medoc peninsula and produces more fine wine per acre than almost anywhere else in the world.

Tasting Notes

A consistently fine estate which stands on the gravelly Médoc plane looking out over the Gironde, combining the ripe juicy fruit of Merlot and the structure and finesse from Cabernet Sauvignon. This classic 2016 Château Beaumont has a mid-ruby purple colour and an enticing nose of bright cherry, blackcurrant and menthol set against the more savoury notes of cedar. A medium body with soft tannins and vibrant acidity to accompany the powerful fruit with a fresh finish. A superb example of a classic claret, ideal to drink now and over the next few years.

Food

Pairs well with rich game, beef and veal but also any mushroom and pasta dishes.
