

Fonseca Bin 27 Late Bottle Vintage Half N.V

Tasting Notes

Fonseca Bin nº27 was created over a century ago for family consumption, and only released commercially in 1972. It is produced primarily from wines from Fonseca's own quintas in the Cima Corgo and thus shows an exceptional quality and consistency from year to year. Blended from reserve wines selected for their superb fruit character and depth of color, it's well-knit structure, rich, velvety full body and luscious blackcurrant and cherry flavors, also dominant in the bouquet, finish on an intense, lingering note.

Food

Cheese of course, but also with fruit based desserts.
