

Journeys End V4 Cabernet Sauvignon 2020

Region

This famous region is 30 miles north east of Cape Town yet still close enough to the ocean to benefit from cool maritime conditions. These beautiful vineyards are dominated by scenic mountains and the region is home to some of the Cape's most famous and influential wine estates. The most noted and important vineyards are located on the prized slopes of the Simonsberg Mountain. This small and highly rated sub-zone has fantastic terroir and is where many of South Africa's top red cuvees are produced.

Producer

The stunning vineyards on the Journey's End estate were purchased and replanted by Shropshire resident Roger Gabb in 1996. With son Rollo now at the helm the consistently strong run of top wine awards is testament to its status as one of South Africa's most premium wine estates. This beautiful location in the Helderberg Basin near Sir Lowry's Pass benefits from south-facing slopes and cool coastal breezes. There is also a great belief in minimal intervention in the vineyards, allowing nature to do her best at expressing the unique terroir. The estate has impressive ethical and sustainability credentials. It is fully solar powered and Fairtrade certified, and recently received recognition for its commitment to this with an Ethical Company of the Year Award.

Tasting Notes

The Varietal Series is a selection of exceptional estate wines that deliver the expression of our vineyard and what we do at Journey's End, while exploring how different varieties thrive in our unique coastal terroir. A core of rich blackcurrants, black plum, with a savoury overlay and mixed spice. The velvety character is a result of generous oak maturation resulting in finely textured tannins and a long-lasting, complex and layered finish.

Food

The perfect pair for roasted or grilled red meats such as beef or lamb.
