

Chateau La Pointe Pomerol 2021

Region

There are three distinct 'terroirs' of St Emilion; limestone on the raised vineyard areas, clay more predominant on the slopes and gravel and clay combined on the plateau. Pomerol is located in the east of the Bordeaux region, near Saint-Émilion, in the area known as the Libournais – the town of Libourne sits just to the south of Pomerol.

Producer

Château La Pointe is one of the historic estates of Pomerol, situated on Bordeaux's Right Bank. With origins dating back to the 19th century, the property covers approximately 23 hectares of vineyards planted predominantly with Merlot, complemented by Cabernet Franc. The vineyard's varied soils, including gravel, clay and sandy deposits, contribute to the complexity and character of its wines. Owned by the Generali France group and managed with the expertise of the team at Derenoncourt Consultants, the estate combines traditional Bordeaux winemaking with modern precision. Sustainable vineyard management and careful parcel selection help preserve fruit quality and express the distinctive terroir of Pomerol. The resulting wines are known for their supple texture, refined structure and elegant balance.

Tasting Notes

A beautiful Pomerol. This has intense raisiny richness from a blend of 77% Merlot that is balanced by a backbone of 4% Cabernet Sauvignon and 19% Cabernet Franc. Lower yielding vines give intense rich fruit and lower volumes which are beautifully enhanced by aging in new oak barrique. Subtle flavours of plum, red berry and liquorice on the palate are nicely balanced with long and complex soft tannins.

Food

Perfect with roasted game.
