

Chateau La Pointe Pomerol 2021

Region

There are three distinct `terroirs` of St Emilion; limestone on the raised vineyard areas, clay more predominant on the slopes and gravel and clay combined on the plateau. Pomerol is located in the east of the Bordeaux region, near Saint-Émilion, in the area known as the Libournais – the town of Libourne sits just to the south of Pomerol.

Producer

In 1886, Mrs Marie-Amelie de Nabineau, friend of the owner at that time, M. Leydet, gave the name `De Valois` to the estate. Interestingly, since that time a woman has always inherited the property. This tiny estate only covers some 7 hectares, consisting of 30 year old vines, and situated on the gravelly hill of Pomerol. In addition there are some plots from the south of Pomerol, where gravel soils are mixed with sand.

Tasting Notes

A beautiful Pomerol. This has intense raisiny richness from a blend of 77% Merlot that is balanced by a backbone of 4% Cabernet Sauvignon and 19% Cabernet Franc. Lower yielding vines give intense rich fruit and lower volumes which are beautifully enhanced by aging in new oak barrique. Subtle flavours of plum, red berry and liquorice on the palate are nicely balanced with long and complex soft tannins.

Food

Perfect with roasted game.
