

Hamilton Heights Shiraz 2021

Region

Wine production labeled as South East Australia origin can include grapes grown in the states of NSW, South Australia and Victoria. This is necessary as the important grapegrowing districts on the Murray River can straddle more than one state boundary. Regional blending also allows a winemaker the flexibility of resources to maintain consistent quality. This regional inter-blending allows the luxury of fusing various grape varieties and styles to produce Australian wines that showcase the archetypal Aussie style, brash and big on fruit with a rich finish on the palate.

Producer

These wines have been specifically chosen for Ellis by our team of buyers. The focus of this range is to create high quality wines which capture the quintessential characteristics of varietals from around the winemaking world. As sustainability is something very close to our hearts here at Ellis, these wines have been shipped in the most environmentally friendly way and bottled at a carbon minus bottling facility.

Tasting Notes

Bright ruby red in colour, this Aussie Shiraz is bursting full of inviting blackcurrant and blackberry aromas on the nose. The palate is smooth and soft with juicy black fruit flavours and a hint of spicy pepper. Soft tannins give structure to the wine which has a long and polished finish.

Food

Serve with grilled meats or spicy pasta dishes.
