

Supernova Wildshark Sparkling Blush Rose 2024

Region

If you have never tried an English wine before – well now is your opportunity. The vineyards of England are generally located in the warmer southern counties where the milder influences of the gulf stream have an important effect, as our northern hemisphere vineyards need a longer cooler growing season than in Europe to produce top quality grapes. More than 500 vineyards are in production across the UK and bottled annual sales has reached 3 million bottles, with Chardonnay, Pinot Noir and Bacchus the most planted varieties.

Producer

Wildshark Vineyards are a young estate nestled at the base of the North Downs in Kent. In 2022 they planted 60 acres of new vines on an area of ancient soils, composed predominantly of chalk. It is due to these Cretaceous soils that the vineyard takes its name, the land here 50 million years ago was the bed of a vast ocean where great numbers of sea creatures used to reside. The land was also used historically as a Roman settlement, but now is home to rolling fields of vines. The philosophy of the estate is to work with a minimal intervention approach, encouraging a diverse ecosystem and farm sustainably, working towards re wilding areas of the land and planting hedgerows and trees throughout the vineyards giving home to insects and fauna which naturally protect the vines. They are certified with sustainable wines of GB and strive to produce excellent quality wine.

Tasting Notes

This English sparkling blush is made in the charmat method, which involves a secondary fermentation in tank. This style of wine is fresh and light and full of red fruit and floral aromatics. There are flavours of strawberries and cream, hedgerow blossom and a vibrant acidity on the finish.

Food

This is a perfect wine for canapes such as smoke salmon blinis.

Technical Information

Country	United Kingdom
Region	Southern England
Grape(s)	Pinot Noir (30%) Pinot Meunier (20%) Bacchus (20%) Chardonnay (15%) Pinot Gris (15%)
Type	Sparkling
