

Deep Down Pinot Noir Marlborough Organic 2021

Region

Marlborough is by far New Zealand's largest grape growing region with more than two-thirds of all plantings. First planted in 1873 it is known in the region by the Maori name, Kei puta te Wairau meaning 'the place with the hole in the cloud' due to its very high 2,410 sunshine hours a year. High sunshine and a dry growing season help to create the famous intense flavours. Generally, plantings are in two main valleys of Wairau and Awatere. Much of the land is alluvial river basin with well-drained soils that provide an ideal for Sauvignon Blanc and clay slopes better suited Pinot Noir and Pinot Gris.

Producer

Deep Down Wines are a boutique Marlborough wine company, founded by Clive Dougall and Peter Lorimer, and is about honest wines made with care by a dedicated team. The wines are small batch, low-intervention, delicious and approachable. Deep Down is about trusting your gut feeling and intuition, the name reflects their decision to do what Clive and Peter believe by working organically and ethically. The name also speaks to the deep geographical roots in unique soils in a country and region known for its purity.

Tasting Notes

The wine is wild, soulful and joyful. Packed with red fruit and nuances of earth and sumac. The palate is bright, built on a juicy acid line with fine tannins. A refreshing rouge! A natural Pinot Noir with no added sulphates or any other additives; each bottle contains only the wine made from organic Pinot Noir grapes. Without sulphur the wine is free and opens and evolves.

Food

Pair with duck, roast chicken or mushroom dishes such as a stroganoff.
