

Organic Carmenere Elemental Emiliana 2023

Region

Known affectionately as the `pais de los poetas` or `country of poets`, Chile is one of South America's most important wine-producing countries. This is a vast area spanning 4300km running north-south between the Pacific and Andes, which is home to a wide range of terroirs, and an equally wide range of wine styles. The Pacific, with its Antarctic Humboldt Current, brings cooling breezes to more coastal vineyards in regions such as the Casablanca and Limari valleys. Meanwhile, the sheltering presence of the Coastal mountain range makes Chile's Central Valley relatively warm and dry. Chile is recognized for the quality and value they bring to the wine industry as well as the range of styles they are able to produce.

Producer

Emiliana Organic Vineyards have a presence in Chile's most prestigious wine valleys, from Limari to Bio Bio. All organic wines grown in a way that preserves the natural balance of life and helps sustain the environment for the future. A key focus is to use no chemicals, no synthetic pesticides, fertilisers or additives to ensure better quality and sense of place. Maycas de Limari wines are part of this range, coming from the Limari region known for its elegant expressions of Chardonnay and Pinot Noir. Emiliana have been certified Fairtrade since 2011, celebrated 25 years of organic agriculture in 2023 and in 2024 they achieved B-Corp certification.

Tasting Notes

In the glass you will see Cherry-red with violet hues, which hints at the aromas to follow of ripe red fruits and delicate floral notes. The palate has a wonderful bright intensity of red plum and blackcurrant balanced with subtle notes of spicy oak from 20% of the wine spending 8 months in French oak softening the tannins so they are velvety smooth for an endearing and lingering finish.

Food

Serve ideally with seasoned poultry dishes or pasta with red sauces and spices.

Technical Information

Country	Chile
Region	Wine of Chile
Grape(s)	Carmenère (100%)
Type	Red
Style	Spicy
Oaked Style	Lightly oaked
Body Style	Medium bodied
Sustainable	Yes-certified sustainable

Dry/Sweet Style	Dry	
Alcohol Content	13.5%	
Closure Style	Screw cap	
Organic/Biodynamic	Organic certified	
Allergens	Milk:	No
	Egg:	No
Vegetarian/Vegan	Vegetarian:	Yes
	Vegan:	Yes
