Doolhof Mountain Range Chenin Blanc 2025

Region

Wellington is a wine-producing district in the Western Cape of South Africa, 40 miles from Cape Town. The rolling hills and valleys of the area provide a wide range of suitable sites for wine growers where fine, elegant examples of Pinotage and Chenin Blanc are made. The vineyard area is 35 miles inland from the Atlantic coast which provides cooling winds to the region and helps to regulate the temperatures during the hot, summer months.

Producer

Nestled in the Cape Mountain ranges with a unique variety of terroir and microclimates giving Doolhof the ability to grow a range of varieties such as Sauvignon Blanc, Chardonnay and Cabernet Sauvignon, Merlot, Pinotage and Shiraz. A combination of Malmesbury shale, homogenic Glenrosa and Clovelly soils ensure that the roots are able to descend to four metres or beyond. Each variety is planted on soil it is best suited to, allowing successful and optimum ripeness of grapes. The white varietals are planted on the eastern slopes of the Groenberg, which allow the grapes cooler days and less direct sunlight.

Tasting Notes

Doolhof's Mountain Range Chenin Blanc is a vibrant and generously textured expression, showing aromas of crisp green apple, ripe pear and dried apricot, complemented by delicate jasmine. The palate is rich and creamy, with concentrated fruit balanced by bright, refreshing acidity. Subtle mineral notes add definition and length, while the clean, fresh finish maintains excellent balance. A beautifully approachable Chenin Blanc combining ripe fruit character with the freshness and elegance of Doolhof's cooler mountain setting.

Food

Pairs best with fresh seafood, roast chicken, and grilled white fish.
