

Bella Mistala Organic Cava Brut N.V

Region

Penedes is the coastal Catalan region in north eastern Spain around the vibrant city of Barcelona. The region is dominated by the Pyrenees to the north, which forms a narrow coastal strip. The mild climate is influenced by the cooling Mediterranean, with a more continental and hotter climate further inland, where the vineyards are affected by the altitude, which afford cooler climatic influences. The region is most famed for producing Cava sparkling wine, meaning `cellar` in Catalan.

Producer

Family and Terroir is at the heart of Cava Marevia, with the name itself a reflection of MAR – Mediterranean Sea and HEVIA - the family behind the wines. The family Hevia Ferrer is a 5th Generation family winery, leading in Organic Cava production. They have vineyards in one of the best areas in Spain to grow organic grapes due to a very continental climate despite the fact of being just kilometres away from the Mediterranean Sea. They grow their grapes at high altitudes, often over 1,000m allowing for consistently healthy grapes.

Tasting Notes

This Cava presents with a pale-yellow colour and greenish hues, bright, with fine bubbles and persistent foam. On the nose, it reveals fresh aromas of pear and apple with notes of lime and white flowers. On the palate, it is fresh, with very well-integrated acidity, leaving a long and elegant floral aftertaste. This cava stands out for its complexity and balance, inviting you to enjoy every sip and prolonging the pleasure with each glass.

Food

It pairs exceptionally well with appetizers and Japanese cuisine, such as makis and sashimis, adding freshness and elegance to every bite.

Technical Information

Country	Spain	Dry/Sweet Style	Dry
Region	Cava	Alcohol Content	11.5%
Grape(s)	Macabeo (75%) Chardonnay (25%)	Closure Style	Cork
Type	Sparkling	Organic/Biodynamic	Organic certified
Style	Fizz	Allergens	Milk: No Egg: No
Oaked Style	Unoaked	Vegetarian/Vegan	Vegetarian: Yes Vegan: Yes
Body Style	Medium bodied		
Sustainable	Yes-certified sustainable
