

Los Senores Espana Blanco NV

Producer

Fincas de Azabache is a state of the art cooperative, founded in December 1956. The Bodegas now owns 2600 hectares of vineyards at the foot of Mount Yerga, which is at the heart of the driest sub region of Rioja; "Oriental", previously Rioja Baja. With limited risk of rot, this is an area conducive to the principles of organic viticulture, to which the Bodegas is firmly and successfully committed. The cooperative have recently invested heavily in a new winery, the fruits of which we are now seeing.

Tasting Notes

This lovely white is made with Viura (also known as Macabeo) and is made fresh to allow the varietal expression to come through. With a bright straw-yellow colour and fruity aromas of pear and apple to introduce you to your first sip. The palate then follows through with a pleasing continuity of fruit with notes of apples, pears and fresh citrus fruit and a well-accompanied acidity for a clean finish.

Food

Pairs well with fresh seafood and light green salads.
