

Doppio Passo Primitivo Rosato 2025

Region

The heel of Italy, Puglia is a southern region known for its warm Mediterranean climate with the name thought to be derived from the Latin `a-pluvia` or lack of rain. This fertile region along the Adriatic coast is the heartland of the Primitivo grape variety (claimed as the origin of California`s Zinfandel variety). Particular DOCs known for distinctive quality include Salento, Manduria and Gioia del Colle. The region is also known for a range of other native varieties such as Negroamaro, Susumaniello, Nero di Troia and Verdeca.

Producer

The company was born as a retailer in 1928 in the Veneto region for sales of wines in casks and demi-johns to restaurants and small retailers. The company is now run by the third generation and from their roots in Veneto they now have a portfolio of wines produced in some of Italy's finest regions. Botter pride themselves on their focus of sustainability, going beyond reducing emissions, production of waste and non-renewable energy usage and taking a responsible approach for the whole production chain.

Tasting Notes
