

Angus Paul Mesas Chenin Blanc 2025

Region

This famous region is 30 miles north east of Cape Town yet still close enough to the ocean to benefit from cool maritime conditions. These beautiful vineyards are dominated by scenic mountains and the region is home to some of the Cape's most famous and influential wine estates. The most noted and important vineyards are located on the prized slopes of the Simonsberg Mountain. This small and highly rated sub-zone has fantastic terroir and is where many of South Africa's top red cuvees are produced.

Producer

Angus Paul had their first vintage in 2020, creating wines with a focus on South African Heritage, using Chenin, Muscat and Pinotage soon expanding with Cinsault. The wines are made with minimal intervention to make quality wines that truly express the varieties characteristics. The labels are inspired by the 'Age of exploration' when the South African wine industry was founded, with graphics of superstitious tales from exploratory sailors.

Tasting Notes

This wine is made from selected vineyards from around Stellenbosch. No additives were used and fermentation was done 50% in old barrels, 50% in concrete eggs with ageing on the fine lees for 11 months. The resulting wine is a refreshing colour with an orangey tint. A very exotic nose with tropical, papaya and white peach in abundance. On the palate a lovely mineral character combines with the ripe tropical and stone fruits, very long with a fresh acidity.

Food

Pair with thai food or fish dishes such as pan fried seabass or hake.

Technical Information

Country	South Africa	Dry/Sweet Style	Dry
Region	Stellenbosch	Alcohol Content	13.5%
Grape(s)	Chenin Blanc (100%)	Closure Style	Cork
Type	White	Organic/Biodynamic	Organic practices
