

Vina Alta Casual Malbec 2025

Region

The biggest and most important of Argentina's wine regions, Mendoza includes a wide variety of altitudes and micro-climates to allow a huge range of wine styles. The main vineyard area is at the base of the Andes in the valley of the Mendoza River, with vineyards ranging from 500-1500 metres above sea level. Many early winemakers were of Italian origin and brought with them their native Barbera, Bonarda and Sangiovese. However, it is Malbec, originally from Bordeaux and the southwest of France, that has established the most successful presence in Mendoza.

Producer

Family-owned since 1965, Bodegas Viña Alta farms 97 hectares of estate vineyards across four properties in Mendoza's Eastern Oasis which has the typical high altitude and dry conditions. Alongside classic varieties Argentina is known for, the estate champions indigenous grapes, reflecting the diversity of Mendoza's viticultural heritage. Today the estate is led by Valentina Lucida and her children, the new generation winegrowers Emiliano and Candela, who together have steered the estate in a new direction. They combine careful vineyard management with a sustainable approach with various practices including; dry farming, avoiding all synthetic herbicides and chemical inputs, and maintain natural biodiversity. Together with their winemaker Miriam Gomez, who vinifies under a range of more innovative winemaking styles and minimal intervention, giving interesting varietal expression from both the native and international grapes, with the aim of making high quality and pure, refreshing wines.
