

Albariño Nana Attis 2023

Region

The Galicia region sits on Spain's estuary ridden northwest Atlantic coast. This coastal region is wet, yet it is where the fashionable Albariño grape variety thrives on the granite soils. In the south, the Rias Baixas, which means 'lower inlets', supports vines trained high on pergolas in order to keep them well aired from the damp climate, producing fresh, elegant and aromatic wines. The Godello variety is most happy in the relatively warmer and drier valley of Valdeorras, crossed by the river Sil, which is located inland, on the eastern limit of Galicia. Godello's bunches are compact with smallish and yields are relatively low, which probably contributed to the variety's near abandonment in the past.

Producer

Founded in 2000 by the Farina family, Attis have 12.3 acres of vineyards planted with Albarino vines ranging from 5 to 50 years. Robustiano Farina provides years of experience to support his sons Baldomero and Robustiano Jr. in their management of the vineyard, winery and business operations. In 2011, they invested in a new, modern winery and hired Jean-Francois Hebrard for technical advice and ecological cultivation in the vineyards. This came to fruition for the 2012 vintage, encompassing all aspect of winemaking; spontaneous fermentation, ageing on the lees and a reduction in their use of sulphur.

Tasting Notes

Taking the name from Greek mythology, Nana was the mother of Attis. The grapes for this wine come from Attis' oldest vineyard and is all meticulously harvested by hand. Left to ferment spontaneously using the natural yeasts in French oak barrels, the wine is then left on the lees for 12 months with stirring to give added texture and complexity. The final wine is very intense and complex with notes of apricot, quince and peach combined with toast, sweet spices and a saline mineral note which lingers on the finish.

Food

Perfect with meaty fish such as halibut, turbot or monkfish.
