

Merlot La Vigneau 2022

Region

The Languedoc is a vast region stretching across much of the south and Mediterranean with large volume of IGP wine within the distinct areas of l'Aude, Gard and Hérault and also well known appellations such as Minervois, Corbières, Pic Saint Loup and Fitou. Its history dates back to the Greeks and Romans as well as monasteries in the Middle Ages. The Languedoc experiences Mediterranean climate with high levels of sunshine and warmth with low rainfall which are all favourable for grape growing. A wide range of grape varieties are grown including Syrah, Grenache and Carignan and the local variety piquepoul making a range of styles of red, white and rosé wines.

Producer

LGI were created in 1999 by forward thinking partners aware of the challenge and opportunity that lay ahead for regional French wines in the competitive international market. Wines are made and blended from three main sources. Saint Chinian in the Herault, Jean d'Alibert in Minervois and from Gascogny. In the heart of the Languedoc, one of the world's largest wine regions with an array of diverse climates and terroirs allowing a range of local and international varieties to be grown.

Tasting Notes

A soft and appealing Languedoc Merlot. Well balanced and concentrated with blackcurrant and summer fruits ripened by the seductive warmth of the Mediterranean. It has a nose of ripe berry fruit and hints of leather and mineral, a supple palate finishing with herbs, violets and blackberry fruit.

Food

To be enjoyed with olives and cold meats or rabbit, lamb or pork dishes, burgers and spicy sausages.
