Mira la Mar Manzanilla Half NV

Region

The Jerez Region is situated in the north-eastern corner of the province of Cádiz, in the extreme south of the Iberian peninsular. Jerez de la Frontera is the largest city in the area and capital of the wine region to which it lends its name, just a few kilometres from Jerez, stands the historic town of El Puerto de Santa María and completing the `Sherry Triangle` is the home of Manzanilla; Sanlúcar de Barrameda.

Producer

Covi Jerez is a co-operative which represents growers from all of the Sherry Triangle. It is committed to respecting the vineyards and wine growers in the Cadiz province. In 2008, Covi Jerez decided to develop its own brand of wines, vinegars and dressings and enter the market to compete as another winery, they then created their high quality range of sherries `Mira la Mar`.

Tasting Notes

Manzanilla is a style of Fino sherry originating from the port of Sanlúcar de Barrameda where the close proximitiy to the sea and the high humidity contribute to a stronger growth of flor. Made from 100% Palomino, this Manzanillia spent 8 years going through the criaderas and solera system under flor. A lovely pale straw colour, this wine has a pronounced nose of almonds with hints of white peach and distinctive aromas of flor. The palate is light and dry with salty, nutty flavours which are perfectly balanced by a restrained citrus acidity and a pleasant bitterness that lingers on the finish.

Food

Best when paired with olives, tapas or seafood. Serve well chilled between 6 and 8 degrees.
