Organic Château Paradis Estate Rosé Coteaux d`Aix en Provence 2025

Region

The Coteaux d`Aix is north and west of the university town of Aix and is the furthest West of the Provence region, with predominantly limestone and sandy soils. The Mediterranean climate is marked by the Mistral wind bringing dry and cooling conditions from the North. It is inland and benefits from relatively cool summer nights due to the altitude, retaining acidity and produces elegant dry rosé wines and fruity and well-structured reds from a combination of Grenache, Cinsault, Carignan, Syrah and Cabernet Sauvignon along with whites from local varieties such as Vermentino.

Producer

The Château Paradis estate covers 185 acres in the northern part of Coteaux d'Aix-en-Provence, in the village of Le Puy Sainte Réparade. The estate is in the midst of a range of legendary landscapes, which the famous painters of Provence used to depict. An old plot of vines called "Paradis" gave its name to the vineyard. The property became a winery in 2003 thanks to Philippe and Juliette Deschamps, who built a cellar and restored the bastide. Since 2011 the Thiéblin family, proud of their Provençal heritage, has been focused on bringing out the best in the estate. New vineyard plantings and cellar investment have ensured the quality of the wines. Currently the estate is in conversion to organic viticulture for its 2023 vintage.

Tasting Notes

This wine is made protectively in stainless steel to preserve the fresh fruit character from a blend of Syrah, Grenache and a small amount of Vermentino. Rich and intense on the nose, the Château Paradis rosé offers perfumed aromas of flowers, pear and citrus. On the palate, the wine is well balanced mix of lemon and stone fruits in syrup such as peach and apricot, with a fresh acidity. An elegant wine with a long, fruity finish.

Food

Serve with cold meats, smoked salmon, bouillabaisse and grilled sardines.

Technical Information

Country	France
Region	Provence - Coteaux d`Aix en Provence
Grape(s)	Syrah (60%) Grenache (30%) Vermentino (10%)
Type	Rose
Style	Rose
Oaked Style	Unoaked
